

FEATURES

- ➔ High luminous efficacy.
- ➔ Up to 80% energy saving compare to incandescent lamp.
- ➔ Eight times the lamp life of incandescent lamp.
- ➔ Average life of 8,000 hours.
- ➔ Simply direct replacement for globe lamp with E27 base.
- ➔ Excellent colour rendering.
- ➔ Low weight.

E27

SPECIFICATION

Safety Input Voltage Range	165 to 265Vac
Operating Input Voltage	176 to 253Vac
Power Factor	0.5 ^o C
DC Voltage Operating	230 to 265Vdc
Environmental Operating Temperature (ta)	0 to 50 ^o C
Maximum Relative Humidity	90% non-condensing
Safety	IEC 60968, TIS 956-2533
Performance	IEC 60969
Electromagnetic Compatibility (EMC)	CISPR 15 / TIS 1955-2542
Lamp Flicker	Non Visible
Lamp Starting	Preheat
Average Life	8,000 hours
Socket Type (Base)	E27
